CHIROPRACTIC

THE WORLD'S GREATEST SCIENCE

The Only Method Ever Discovered for Eradication of DISEASE By Going DIRECTLY to the CAUSE

A NEW ROAD TO HEALTH

A subluxated vertebra causes PRESSURE upon the NERVE, interrupting NORMAL NERVE SUPPLY. This will weaken the TISSUE OR ORGAN supplied, and the RESULT IS DISEASE. CHIROPRACTOR ADJUSTS the offending BONE to NORMAL position, Relieving NERVE PRESSURE, thus removing the cause NATURE can RESTORE HEALTH.

The success I have had in the past seven years is a guarantee of the excellence of the results you will receive in the future.

THE CAUSE OF DISEASE

95% of all diseases originate at the points indicated by the arrow heads. The disease mentioned below are only a few which are caused by subluxations of vertebrae in the spinal column.

1. Slight subluxations at this point will cause so-called headaches, eye disease, deafness, epilepsy, vertigo, insomnia, wry neck, facial paralysis, locomotor ataxia, etc.

2. A slight subluxation of a vertebra in this part of the spine is the cause of so-called throat trouble, neuralgia, pain in the shoulders and arms, goitre, nervous prostration, la grippe, dizziness, bleeding from nose, disorder of gums, catarrh, etc.

3. The arrow head marked No. 3 locates the part of the spine wherein subluxations will cause so-called bronchitis, felons, pain between the shoulder blades, rheumatism of the arms and shoulders, hay fever, writers' cramp, etc.

4. A vertebral subluxation at this point causes so-called nervousness, heart disease, asthma, pneumonia, tuberculosis, difficult breathing, other lung troubles, etc.

5. Stomach and liver troubles, enlargement of the spleen, pleurisy and a score of other troubles, so-called, are caused by subluxations in this part of the spine, sometimes so light as to remain unnoticed by others except the trained Chiropractor.

6. Here we find the cause of so-called gall stones, dyspepsia of upper bowels, fevers, shingles, hiccough, worms, etc.

7. Bright's disease, diabetes, floating kidney, stone disease, boils, eruptions and other diseases, so-called, are caused by nerves being pinched in the spinal openings at this point.

8. Regulations of such troubles as so-called appendicitis, peritonitis, lumbago, etc., follow Chiropractic adjustments at this point.

9. Why have so-called constipation, rectal trouble, sciatica, etc., when Chiropractic adjustments at this part of the spine will remove the cause?

10. A slight slippage of one or both innominate bones will likewise produce so-called sciatica, together with many "diseases" of pelvis and lower extremities.

Chiropractic Adjustments Remove Pressure from Nerves and Health Returns
